

## Book posters – English class 6bl – welcome .....

Maybe in this moment you are standing in front of this posters and you are thinking: Well, these are wonderful posters about some books, but what is the story behind them? Who made them and how did he/she make them?

### The Story behind the posters .....

Five or six months ago we (class 6bl) chose books from the library or we “won” some from in a lottery that our English teacher made for us. Then we read the book at home and after that we made posters about the book. After we had finished, we sent the poster our teacher Mrs Brumby and she corrected a few mistakes.

Now in scenario B we gave the posters to Mrs Brumby and now they are in the HG-entrance hall and every one can see them. Enjoy!

### We asked some classmates about the book posters....

How did you like the task?

**Paul:** I thought the task was great because it was an interesting task, something we have never done before.

**Jannes:** I think the task was ok.

**Lenne:** I think the task was very interesting and cool.

### How do you like your book?

**Paul:** I liked my book very much because there was a lot of action and the characters were very nice. My book was *Robin Hood*.

**Jannes:** I thought my book was good.

**Emilia:** I found my book very interesting but sometimes it was a little bit sad.

### Do you find the task: make a book poster was more interesting then a normal task?

**Maxi:** No, I don't. **Paul:** Yes, I do. **Jannes:** Yes, I do.

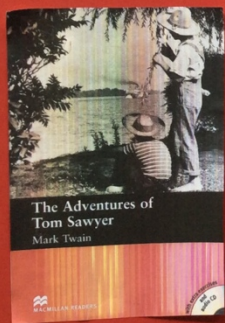

Maybe you would enjoy reading English books too. You find lots of books in our library and we can recommend books to you. Get in touch with us.....
